Tori McElwain Lecture & Workshops

I have an MA in Curriculum and Instruction, many years of teaching experience, and LOVE teaching in all forms. Please visit my website (https://www.thequiltpatchbytori.com/guild-programs) for a list of all the programs and workshops I offer; Each event can be modified to fit your needs, goals, and time allotted. If you have questions or would like to book a in person or virtual workshop or lecture, please contact me at hello@thequiltpatchbytori.com.

Programs

My programs are fun, interactive, and packed with content. Each program is approximately 45 min-1 hour and is like a mini-workshop. I bring demonstration materials and many quilts to show as examples. After every program I give, I inevitably have a dozen or more quilters telling me how much they enjoyed it, how much they learned, and how excited and inspired they feel.

A Few More Important Points:
+ I have no minimum or maximum number of students in a workshop.
+ For in person events: if located outside 200 mi of Sierra Vista, we'll need to book at least 2 events (for example, one program and one or more workshops).
+ We ask for a 25% nonrefundable deposit upon booking to reserve your date.

Expense information:
+ If you would like to book an in person event, you would like an estimate for travel expenses, I am happy to provide that. I'm also happy to talk about options for minimizing travel expenses (being hosted by a local family, etc).
+ If the event is within 200 mi of Sierra Vista (AZ), I will drive there; if outside 200 mi, I'll fly.
+ If driving, expenses include: mileage (I use the IRS mileage rate), lodging (if needed), and meals.
